FOLD

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

### The Iliad

The Iliad, together with the Odyssey, is one of two ancient Greek epic poems traditionally attributed to Homer. The poem is commonly dated to the 8th or 7th century BC, and many scholars believe it is the oldest extant work of literature in the Greek language, making it the first work of European literature. The existence of a single author for the poems is disputed as the poems themselves show evidence a long oral tradition and hence, multiple authors. The poem concerns events during the tenth and final year in the siege of the city of Ilium, or Troy, by the Greeks.
